President's News for Spring 2018

President Jerry Radke

Our Annual Christmas Party was held at the Indian Creek Country Club on December 13 with the Tail Twisters (Charlie Lloyd and Charlene Jarboe) in charge. The Nevada High School Choir came to provide entertainment for the evening. A good time was had by all in attendance.

Bob Hunter, Mike Seaboch, Jim Fenn and others are looking after the paper recycling trailer. This is turning out to be one of our biggest money makers. Thanks to former member Jean Bodensteiner for getting this project started.

We still need some more new members to help us with our projects and fund raisers. Peach sales will start in the spring and we are looking for other means to raise money.

Lack of attendance at our last few meetings have made it difficult to make plans for this spring. I have set April 21, 2018 for our annual spring Pancake Feed and we have received word that we can work at ISU Dining for Odyssey of the Mind. However, we need to get workers set up for these events plus the peach sales.

RAGBRAI is coming through Nevada in July. Jim Fenn is contacting the firemen for this.

Jerry Radke

Up-Coming Events

- March 9-10, 2018 — District 9MC Convention in Marshalltown
- March 14, 2018 — Dinner Meeting (Sandy Richardson, program) Board Meeting Follows
- March 28, 2018 — Dinner Meeting at Windsor Manor (Loren Heckathorne, program)

- June 27, 2018 — Dinner Meeting (Bob Hunter, program)

June 29-July 3, 2018 — 101st International Convention in Las Vegas, Nevada

Nevada Lions Club

Recent Happenings

Dr. Naresh Aggarwal, LCI
President

At a recent board meeting it was decided to try selling peaches as a fund raiser this spring. Jim Fenn is organizing. Susan checked with ISU Dining for possible work and was told that the next opportunity is for the Odyssey of the Mind in May. We will need four team members and a leader. Breakfast, lunch, and dinner shifts are available but they prefer we choose breakfast or lunch. The leader needs to attend a two-hour training session. It would be nice if we could field two teams.

Bob has been doing an excellent job keeping track of our paper recycling project. He thanks Mike, Jim and others for their work with the project.

Our last time helping with Food at First was November 20, 2017. We are waiting for John to get us a future date.

The nominating committee is getting us a slate of officers for 2018-2019. They will announce the candidates at our first meeting in April and we will vote at our second meeting in April. Please consider being an officer in our Lions club.

RAGBRAI will be biking through Nevada in July. Last time we worked with the firemen to serve pancakes. Jim Fenn is contacting them to see if we can do it again.

Thank You, etc.

Thank you to Lions Bob Hunter, Mike Seaboch, Jim Fenn and others for their work with our recycling project.

Thank you to Jim Fenn for looking after the peach sales and contacting the firemen about working together on RAGBRAI.

Thank you to all of our dedicated Lions for your outstanding service, loyalty, and devotion to Lionism.

I have set a goal to gain five new Lions this year. If you see a good prospect be sure to ASK them to join. April is New Member Month, so lets bring in several.

With our Lions' year now over half over, it is important to maximize our efforts to achieve our goals for the Lions' year. Our goals are five new members, new fund raisers, and increased enthusiasm.

With 2018 here, we need to think about Lionism. The District 9MC Convention is March 9-10 in Marshalltown and the State Convention is June 1-2 in Cedar Rapids. Our club has not been very good about attending these events. It would be nice to get a car load and go to one.

Happy Easter!
